Over 700 Parking Spaces - And They're All Free!

There's never a parking problem when you bank at The Bank of Arlington Heights, and R's only a few minutes from the heart of downtown. We've got over 700 parking spaces for your convenience—and they're all free.

It's so easy to get your banking done at The Bank, whether you'rn a building contractor wanting to discuss a long, in TV repairman with a quick de-posit to make of the day's receipts; or maybe a housewife with a wagon-load of children making a withdrawal to take advantage of a special clothing withdrawal to take advantage of a special clothing

It makes no difference who you are. When you do your banking you want convenience and service. And that's what you get when your bank is The Rank

To help make your banking easier, The Bank of Arlington Heights announces new, longer busi-ness hours, effective February 1st. Make your bank, The Bank,

Sentellment Learn B Limited Leibty Services Monday-up put to 8 p.m.; Tuesday thru Thresday-up put, to 5/29 p.m.
Lebby Services Manufay thru Saturday-up a.m. to 3 p.m.; Stidentay thru Saturday-up a.m. to 3 p.m.; Stidentay

Brite-in Windows Bally 7 c.m. to 4 p.m.; Friday-F c.m. to 9 p.m.; Setreday-F c.m. to 3 p.m. And don't forget, there are four drive-in windows to serve year.

Worst Snow in History

Hello, Dear,? It's Snowing

"It looks the I'm palog to be a little lote." This was the common cell Thumday as more, complicated by high winds, clagged attents and stalled mattle, At one point, telephone trusts were no overloaded, there was a fine - minute delay in gattless addition.

Deliting council by the strong wheth accompanying Thumbey's measurem recurred states and driverage as quickly as realizate cleared them. High-piled man at the back parels of a large at 124 S. Arlington Heights Rd. was typical of what resi-

LETY - No. Lydn Boar 9 E. Camphill, Adhapt Heights, nos as estimate pretest hand! from the Horing more. One large deparment store reported 15 story pers during the day.

Winds Plug Roads Right Behind Plow

BY MEL MILES

"This is ridiculous," said a halding commuter as he toted his briefcase down the middle of Arlington Heights Rd. last

"I don't think this a bit funny," said an irrate housewife who had come to the train station in pin curiers to wait for her busband. She had been waiting for two hours.

The cause of all the unhap-

The cases of all the unhappiness was a 12-inch near/fall that bianketed the northwest suburbs and virtually choked off the village of Arington Heights. Salt truths and snow plows couldn't keep up with winds that him anow back contable highways as fast as it was

Rush hour commuter train were datayed several hours. There was a long line at the public phone at the Arlington Heights depot.
"Hello honey," one man said "Fins hore. . but where are

"Fus bore. but where are you? You say you can't get the car out of the garage. . . oh, okey, sh. I gasse! If suit."

And walk they did... soores of wany consectors had in hoof it home. Soveral man end-od up walking as far as Rolling Meadows. A call for a suit-formaght only a bumpy-hough.

"ARE MOTTON Phosphar 'police had their hands full, too. Two men were meaning the radio rather than the usual one, but even they couldn't hope up with the strain of gath. Strangely snough, there were only two minor accidents. Woried housewires and people

"No m'am., ue don't know where your husband is." pothere was not been a subparisonly time and time againlant night. The phones rangconstantly.
"No sir, I'm sorry but i can't give you permission to leave your car parked in front of your hous," policious of your hous," policious Francia Bischoffer tast and to keep main stream.

The Minch that blocker Society warm that dway via the combination of a barry wet answful, pind blowing across the driveway and posboring with a snow shows leads to himdrods of fatal hear strack cases.

WWY Es this convolutation so clearly?
First of all, the emergy output in shoreling a moderathy-heavy snowfell is about the anne, do if the individual ware running 7 or 8 m.p.m. In the poorty — conditioned pursue, this assecutioned strain may the moderate of the control of the

Secondly, exposure to or causes the blood pressure rise. Add to this the extra e fort of walking through one compounded by at least pounds of overcost, asiash sweater, scarf, but and gloves - and the total effect becomes

To protect against fatal heart attack or the painful symptom of sagina pectoris, all middleo aged and elderly persons a should restrict their exercises to the home during sewere weather.

THIS ADVICE is based on the anetomy and physical limilations of the heart itself.

The beart is a muscul pump, nousehed principal by blood flowing through it coronary atteries. In clean persons, especially, the reowny actions may be any action may be any action of the coronal person of the action of the mineral states of the comineral states of the comineral states of the comineral states of the costance of the coton o

wright represent incredents in the same and the same and the same pump most first and the same pump most first and the same pump most first and the same pump. The can be large and the same pump most first and the same pump. The realizing undermourishment of the heart same produces the heart same produces the cheer pain called angain pre-torie. If never, this undersourished condition can lead to a fatal heart saids.

Snow shoveling should be let for the younger generation of those accustomed to regular physical exercise. If you don't fall into either of these cate portes, but insist on shoveling your own walk this winter, tac like the job in reasonable steps—and stay alive!
